

EAST & WEST HIGH SCHOOL, BELA, PATNA

Annual Report- 2021-22

Academic Achievements Report

We are proud to report that 2021-22 batch of class X and XII students have brought laurels to the school by their excellent results. We achieved 100% results in CBSE class X and XII examination. We are giving our best in the current session. We have completed our syllabus in the month of December and now we are doing revision of our syllabus. Regular monitoring of class work copies is helping us to know the strength and ability of our students.

Co-Curricular Activities Report

A host of co-Curricular activities have been organized during the year. This year we have introduced fireless cooking club for our primary wing. Our environment club is doing better this year. We have done plenty of plantation work. We have art and craft club and children are learning handicraft work.

Annual sports Report

In the month of May 2022 Inter house Kho-Kho competition of boys and girls was organized and winners and runners have been awarded by certificates and medals. Yellow house was winner and Red house was runner. In the month of July 2022, our students were participated in Inter school Kho-Kho completion held in St Teresa International school Bihta. Our boys team won the first prize and bring the trophy. In month of November 2022 our under 19 students took part in CBSE cluster kabaddi tournament and performed very well. In the month of December 2022 annual sports of both primary and secondary wing have been organized and students have been awarded by medals and certificates. On 10th December 2022 first time our school has organized Prof. Vinay Kant memorial cricket tournament between teachers and students. Students are emerged victorious. On 23rd January 2023 our school has participated in Daksh khelmahotsav held at IIT Bihta. In this tournament our students were performed very well.

Cultural activity Report

Like every year, Last year also all religious festivals were presented the school through song and dance drama. We celebrated Krishna Janmastami, Durga Puja, Deepawali, Chhat, Gurunanakjayanti ,Tulsijayanti, world peace day, yoga day, Independence day, Holi milan and many more. Apart from that in every month we have a special assembly for different classes in which students performed cultural activities.

Quiz and competition Report

Last year We have organized Science Quiz, Rakhi and Bandhanwar competition as well as Diya making and Rangoli making competition in our school and best performers have been awarded by medals and certificates.

Infrastructure development Report

Last year we have set up a new computer lab and students are learning computer with enhanced technology and experiencing better. Last year the facility of high speed Wi-Fi connection has also been taken in our school. Now our school is having full wi fi connectivity.

Other Reports

Last year we organized an eye check-up camp in our school for all children and staff members in which free eye check-up was done by the eye doctors of Patna. Last year we have increased the strength of teachers as many new teaches are joined us.

New proposals

For this year we have some proposals like full c.c. t. v camera set up, Proposal for a community center and proposal for modifying our school campus by tiling

This annual report shows that we have achieved a lot indeed but no doubt more can still be done.
